“ Leslie was a valued member of the Rembrandts painting group at Clintonville Woman's Club and served as chairperson of the group for several years. We will miss her gentle presence, her wit and her painted creations. At least we still have many fond memories of her.

I always enjoyed cousin Leslie's letters when the cousins had the round robin with Aunt Martha. Leslie had some good information on Rush history.

I was shocked and terribly sorry to hear that Leslie passed in October, 2025. I worked with her for a year or so when I first moved to Columbus in 8,1972. A year or so later, I changed law firms and saw her nearly every day and caught up with her at John's memorial service. I am indeed sad to know that she has passed.
