“ Rick, We have such wonderful and yes, fun memories with one of our best friends, Tish. We remember when you and Tish first met and began dating; I especially remember our late night talks about our dates and eventually our loves, hopes & dreams over a bowl of white rice with a lot of butter and sugar. Many, many wonderful memories that one day will not hurt to remember as they do right now. One day we will smile at all the shared memories and know that Tish is once again smiling with us. Rick, you know how much the two of us love you and Tish, always have, always will! Our love to your entire family. Tish loved each and every one so much!

“ Rick and Family: I was saddened to hear of Tish's passing. You must miss her very much. Know the grief eventually lessens and the pain will fade. You will always have the fond memories and as you recall them may they bring a smile to your face. You are all in my thoughts. Fondly, Sandy Davis

“ Rick, I don't remember you mentioning "Tish" on our way home from Kawanhee, but I'm sure she was a great person and partner. Will look for you at the traffic light. Over and out, "j d"
