“ *Bud was a wonderful man who loved Jesus and gave his life to serve Him. Not only did he serve at the church, bue he and Dorothy also volunteered at Bible Literature International. His children caught the vision and are vary active in Christian activity. I look forward to seeing Bud in heaven again.*

“ Bud was my grandmother Dorothy's brother. I remember him in his old house in the den sitting with Aunt Dottie. I remember loving to hear his laugh. One of the things I loved most about him was his homemade kleenex box covers made out of that plastic stuff with yarn. I always marveled at how such a BIG man could do something so small and delicate. I loved watching his complete and total love for Aunt Dottie. When they were together he would virtually sparkle with the love he had for her. I will miss Uncle Bud but I know 100% that he is in a better place doing something that he loved most and being with the mother and sister that he love. I will always miss you Uncle Bud. “ Dear Pfeffeler Family, Although not knowing Mr. Pfeffeler or your family personally, my heart goes out to you during your time of loss. Losing a loved one is truly saddening. Please remember that by drawing close to God in prayer the Bible promises that “he himself will sustain you” during this difficult time.—Psalm 55:22. It is my hope that you will find comfort from these few words during this difficult period. “ I loved to hear Uncle Bud whistle. I remember the beautiful and fun watermelons he would carve. His stocky fingers could create such delicious foods and such a variety of artistic pieces (the playhouse, the handcrafts). My mother loved him as her big brother. What fun we would have at the Selby Park festivities, then go back to Uncle Bud and Aunt Dottie's house for more fun. Homemade ice cream was always anticipated at their house!! Uncle Bud and Aunt Dottie also invited my family to hear the message of Jesus Christ for the very first time, too, when I was a young teenager. For that, I will be eternally grateful. God bless you all as you share this time of grieving and remembering. Love, Karen Huling

“ I just want to pass on my deepest sympathies for the passing of Uncle Bud. He was a great American and always a joy to be around. When I was growing up I remember camping, campers, and campfires, his famous hand cranked vanilla ice cream, 4th of July and Memorial day parades and family gatherings, helping with my totem pole woodworking project, drive by visits with Dottie, many “Sunday drives” and restaurant excursions after church. I spent a week with Uncle Bud as his assistant on a boat house remodeling project at Lake Erie. What a great time. We worked and then caught fish and had a grand time together. Uncle Bud was as solid as one could be in regards to integrity, values, and character. Will miss you. Sherman Bierly
