“ *Dear Dave, I was so sorry to learn of Lilley's death. I found her a couple years ago, called her and learned about Carol's death. You probably don't remember me, but I'm Deanna Williams (now Ralph) that use to live with Carol. In fact Carol is the one that introduced me to my husband of 49 years, Jim Ralph. They both worked for Industrial Nucleonics. I had looked for Carol for years with no luck. I lost touch with Carol after we took a bunch of her stuff to her when she lived in N.C. Again, I'm very sorry for your loss.*

“ *Lillian joined the El Dopas Parkinson Support Group some years ago and I remember her inquisitive nature and kindness towards others in the group.*
