“ I've worked with Linda since 1996 at Medflight. Although we worked on different divisions, I always loved her. Her compassion for co-workers and the patients she cared for was unbelievable. Please know that her greatest joy and passion was you, her family. Our thoughts and prayers are with all of you in your time of loss, and a special prayer is for Linda as well.

My wife Sue worked with Linda in the same division. I know she'll speak for herself, but she loved Linda as well.

We both miss her dearly.

Take care.
