“ *Dear Friends,*

*We are saddened by Linda's passing. We wish the memories of her fun-loving spirit and laughter will remain forever. We will remember her tenacity when "the lax boys" were creating mischief!! Those lessons have helped us as parents. Linda's eyes had a twinkle that meant, you always knew she was in on the joke. The friendship we have with you is timeless. Linda lived a life of great joy and has shared that gift with all of us. We really enjoyed her telling the story of the recent ride-along with Cory. Never timid, always smiling we will miss you. We send love and prayers to heal your hearts.

“ *Linda was such a wonderful person! I worked as a Business Ed. teacher at Kilbourne and enjoyed her immensely. She made a beautiful Snow White in her Halloween costume. May she rest in peace.*
