“ *To the Larkin and Richard families, our heartfelt sympathy on the loss of your wife, mother, grandmother and sister. We shared many times in high school CCD, traveling to DeKalb, sharing apartments and three years and summers at NIU, planning our weddings and the pregnancy and birth of our sons. Rest in peace, Linda and may God surround your beloved family with His grace and hold their aching hearts. Roxanne and Ron*

“ We have known Linda for many years. Through Suzanne and Nick, we were blessed to be a small part of her family. Linda was an incredible woman with an enormous zest for life. She and Jim raised wonderful, caring children who through their guidance became wonderful, caring spouses and parents themselves. All the good in Linda will shine forever; her memory will not fade because her light is so bright, even now. As she sits with the Lord, she will watch over us ALL because that is what she does best. We pray for all those knew and loved her.

“ I just can't express in words the sadness I feel for the loss of my childhood friend and neighbor. Although many years have passed since then, I have never forgotten her kindness and love for those around her. She was the most positive and thoughtful person I knew. I was only close to Linda during our early yhears but kept up with the many happy events she and her family shared through her life. My sincere thoughts and prayers are with your family. I know she is singing with the angels

“ I'm so sorry to hear about Linda's passing. I met Linda at Cardinal Health. She was a beautiful lady, inside and out. She helped me so much when my son was diagnosed with Type 1 diabetes right before Michael had his transplant surgery. Linda was my rock the first few months my son was learning to cope with his diabetes. I met Michael shortly after that and he helped me too! My thoughts and prayers go out to Jim and the family. she will be truly missed by a lot of people.

“ Jim, Michael and Suzanne, I worked with Linda at Cardinal Health until she retired from the company to be able to spend more time with her wonderful husband and grandkids and to travel. I always enjoyed hearing about her trips over coffee at Tim Horton's. Linda was a delight to work with -- she had a sharp wit, a terrific sense of humor and a big heart. Her friends at Cardinal Health will miss her. Our thoughts and prayers go out to you during this difficult time.

“ Jim, Michael and the Larkins family, I remember 23 years ago meeting Jim and Linda and helping you build your beautiful home in Dublin. And then, nearly every year, you attended our client appreciation party - whether with or without kids or grandkids. I just saw you a month ago and you both looked great! Linda called a couple of weeks ago to ask for a potential home in Dublin for Michael and we played phone tag. I reached Michael yesterday, December 31st, when he told me of Linda's passing. I am still in shock over the news ... you all in our hearts and prayers. God will keep you and guide you through this difficult time. Blessings to you all - Chip and Sue Parrish
