“ *Shalom could very well be. My parents mngaaed to raise me in a total atheist bubble. I really DID grow up with no faith, no need for faith, no realization that faith existed as an important factor for other people. All the Jewish holidays etc. were celebrated but as fun social things that had pretty stories in them you know, like the Greek and Norse mythologies have really pretty stories, and like all the fairy tales I like so much. I was taught that there are funny people in the world who believe in gods, and magic, and superstition, and such and we don't mock them because it's rude .but I really did grow up without feeling that I was non-religious. I just WAS. the culture I accumulated was about books, and history, and music, and pop culture, and had nothing to do with what other people thought about fairies.*

“ John and family, I was so shocked to hear about Linda, one of my very best friends. Linda played such an important role in my life & the life of my children, in giving me opportunities through LVAA! I don't know what my life would have been without her believing in me as well as all the young people in Louisville that she helped to get scholarships & become Artists, my own daughter-in-law is one. Prayers to you all & little Lacy who Linda adored!...Rebecca Baldwin

“ Family, Linda was such a huge influence on me as an artist and teacher. She taught me for years in CFAC classes and when I grew too old for the classes, she allowed me to assist her in teaching. I worked with her for a whole summer at LVAA, as her art assistant. She was an amazing teacher! She was genuine, down-to-earth, and she was passionate about sharing art with children. Louisville's art education scene will miss you Linda. Thanks for picking me up Saturday after Saturday and driving me to CFAC classes. Thank you for fussing at me when I complained how heavy the boxes were that you told me to carry up the back stairs of LVAA. Thank you for being proud of me for who / what I've become. You played a big part in my life and I will miss you. Love you, Alana Alford

“ Linda left behind a beautiful and talented legacy. The legacy I speak of includes thousands of children who came to appreciate art through her gifted teaching of the visual arts. My daughter was one of those fortunate enough to have met Linda through the Louisville Visual Arts Association. Those LVAA classes led by Linda guided my daughter into teaching and enjoying a passion for teaching art. My thanks to Linda's family for sharing her with so many young children.
