“ *Dear DiCenzo Family,*

*It comes with great sadness and shock to hear about Lisa's passing away. I went to St. Mike's with Lisa and remember her "larger than life" personality. She was so much fun to be around! I remember playing together in the lunch-time volleyball and kick ball games at St. Mikes...we were both very competitive! As we entered high school, we drifted apart. I saw her a few times throughout our early adult years, but heard she had moved to CA. I have wonderful memories of Lisa and I growing up together. You must be heart broken. I am so sorry for your family's loss. May Lisa's memories stay close in your heart.*
