“ It is difficult to put into words the loss of someone so close, yet separated by many miles. We were much more than cousins, even though we lived our entire lives thousands of miles apart. We were 7 or 8 year old kids when we started exchanging letters. We met a few times through the years at family reunions and a few visits. Recently we got to know each other better through Facebook. For someone I was only around for about 3 total weeks of my life, Lisa will be sorely missed.

“ We were all deeply saddened by the news about Lisa. A fun, beautiful person. My brother and I will never forget the fun times Lisa and Keith gave us all those years ago on our visit to Ohio. Though we live many miles apart, we always felt very, very close to Lisa. She was always more of a big sister than a cousin to us. We love you.
