

## Lisa Kolb

March 29, 1965 - November 20, 2018

Lisa A. Kolb passed away on Tuesday November 20, 2018 at her home. She was born in Columbus, Ohio on March 29, 1965. She graduated from Whitehall-Yearling High School in 1982 and went on to graduate from Capital University Law School in 1990.

She worked as an attorney for the Ohio Department of Taxation. Over the years, she enjoyed serving her community through volunteer work, such as walking dogs at the animal shelter and volunteering at the Franklin Park Conservatory. She also found fulfillment in traveling, music, cooking, and spending time with friends and family.

Lisa spent nearly the last decade of her life as a caregiver for her mother, who was diagnosed with Alzheimer's disease. Caring for someone with Alzheimer's can be very trying, but Lisa managed to do a wonderful job. She always put her mother's needs first. She was the kind of daughter we all should strive to be.

Lisa is preceded in death by her mother Loretta Kolb, adoptive father Boris Kolb, father Michael Kowalski and sister Emily Kolb. She is survived by her brother David Kolb, nieces and nephew, Ashley, Courtney, Delaney, and Barry Kolb and great nephews and niece, Caiden, Timothy (Timmy) and Marilyn (Mary) Wright.

Friends may call at the Rutherford-Corbin Funeral Home on Sunday December 2, 2018 from 2:00pm to 4:00pm. A Funeral Service will be held at 4:00pm with Pastor Gary Brose officiating. The family requests that in lieu of

flowers, contributions be made to Hospice of Central Ohio.

“ *I am so surprised to find that Lisa passed away. I knew her in law school, but we lost touch when I moved away to Guam and other states. We were good friends while in school and after until I left Ohio. I was looking for a way to contact her and was not successful until this came up in my search. I have been so saddened to see that she passed away. She was a sweet person, and I enjoyed spending time with her. I am sorry we lost touch. May she rest in peace. She will always be in my thoughts. Life is too short, so you should not let time pass without talking to those you care for.*

*Hello. I am Lisa's Nephew. So glad that you got to know her! She was indeed a very sweet person. I still miss her to this day. The worst part about life is seeing the people that you know and care about come and go as the years pass. I hope the time that you spent to get to know her was as fruitful and good as the time I spent with her. No one is really gone as long as our memory of them remains strong and firm in our minds.*

“ *Lisa touched my life with her gifts of friendship, music, kindness and gentleness. We were friends since first grade, and it is hard to imagine not seeing her again. I will remember our good times in college and law school, and our outings to Park of Roses and so many other places. Sending prayers for comfort and strength to her family at this difficult time.*
