“ On behalf of the Cincinnati Sigma Chi Alumni Chapter, please accept our sincere condolences. All Honor To His Name!

"As a friend, as a brother among us, and as a man of affairs, we have known him as loyal and devoted to the high ideals of The White Cross which we wear. His friendship was enduring; his generousities were large; and his life was an inspiration. He loved his Fraternity; but he knew that its helpfulness and sympathies were meant to be broader than the bounds of the organization."

“ Tom is without a doubt the most influential person I ever had in business since the beginning of my career. He and Chuck hired me in 1986 and never stopped supporting my goals and those of our M/I Family. There will never be another group like we had then! There was just no saying we can't and Tom's leadership played the most critical role of all in that. Without a doubt, we would have done anything he asked us to do!

I never had another boss that could fill his shoes and doubt anyone can! The memories are more awesome then words can describe and I would do it all again without any question!! I feel so happy to be able to have his sons both in my office now. I hope I can somehow give back to them in return for all he did for my family through the years! I plan to try anyway!!

“ There are hundreds or rather thousands of people whose lives Tom touched. That he ever even knew who I was staggers my imagination. But even beyond just knowing my name Tom went out of his way to care for me and my Family. Tom has been a mentor by example over these past 30 years. He will be truly missed and is loved beyond words. It is my sincere hope that the love and shared comments from those who Tom touched can help sustain and comfort the Simpson Family as they mourn the loss of this outstanding life. Stan Bowen

“ Andy, Sean and family, sending my condolences to all of you. I worked for your father for nearly 30 years at M/I doing the landscape maintenance for the model homes and entrances. He was tough but fair and was willing to help when ever I called, usually when I needed money. I always considered your father more as a friend than as my "boss". He will be missed by all who knew him but we will always have good memories. Mark Salter.

I'm so sorry for your loss. I was fortunate to be Tom's chemo nurse. We hit it off from the first day! He was a very kind and gracious man! I always enjoyed our conversations. He spoke proudly and always with love of his family. He was a courageous man as well as I never once heard him complain about his disease or the struggles he faced. He was one of my most favorite patients and I will miss him but give thanks for the privilege and honor to be his nurse and friend!! RIP Tom--you soo deserve it!!!
