“ *Kermit was such a dear man and meant so much to Hal. More than you might know truly. We still have the duck stands and fish that he carved for us at the lake and think of him fondly every time we see him. We know separation is going to be very painful. Our thoughts and prayers are with you and your family. Sincerelt, Hal and Gail Young*

“ Nancy and Family I am saddened at the death of Kermit. I have many fond memories from our youth. We(my brothers Earl, Clyde and Royce) visted with Kermit, billy and Cecil often. Dan and Ethel were great to be with. I always enjoyed our times together. Over the years we seem to drift apart but always have will have the memories. “ No words can describe my sorrow for the passing of this man. I really just got to know him about two years before Aunt Ethel passed. Those two years are filled with memories that I will always treasure. Even though they moved so far away, they always had a place in my heart. So, I'll see you Friday Nancy, but to you Kermit tell Aunt Ethel hello from me and give her a great big hug.

“ Kermit was a patriotic American in every sense of the word. He will be missed by his family and the community. He was a hard working husband and father for all his working life. May he rest until his Savior comes to redeem all who have followed his example and word.
