“ *Dear Family of Mrs. Auger, I just received my Mendota Reporter and saw Lois's obituary. She was my 2nd grade teacher at Blackstone School in Mendota in the 1951-52 school year. We moved from the old school to a new one that year. She was one of my favorite teachers. My graduating class is planning a class reunion in August as it will be 50 years since we graduated. I recently had my pictures from Blackstone School copied for the committee to use so I was thinking of her in early March and wondering where she had gone, etc. You have my sympathy in your loss. Know that she is still remembered by early students. May the Lord comfort you.*

“ Words cannot describe how sorry we are to hear of your loss. You have all been such dear friends and neighbors. You have always welcomed us into your home; and you were always so good to a little girl who was a bit shy and played with her dog. I will always cherish those memories. Every time we see you, our hearts and faces light up. You are all kind, loving, strong, and know how to be silly and give great hugs! :-) Every time I see Mrs. Augur's art on the wall, I smile and think of her. What a lovely gift that is. We hope that you know how much we love all of you! You live within our hearts.
