“ *I send my sincere condolences to the entire family. I was saddened to get the news. When Lois last visited with me not long ago, we had a wonderful, nostalgic walk down memory lane. When we parted, with hug and kiss and a tear running down her cheek, I vowed not to wait so long for another visit. Life is fragile and so so short*

“ *I was saddened to hear of the passing of Lois. She and I were born just a week apart, and the house where she grew up was next to the farm where I lived. Her life was not easy, but she made the most of it. Our sympathies go out to her family. John*

“ Dear David and Kara, Heartfelt sympathy to you and your family. May God comfort you with His faithful love. The deep faith and love your mother shared profoundly influenced countless lives. She was and will always be in our hearts a true "disciple" for our Lord. I am deeply grateful for her strong, dedicated guidance on my faith journey. She loved you deeply and how "bright" her eyes were when she spoke of you, Kara, and your children. I know the Memorial Service will be glorious and lift your spirits and comfort you. I so wish I could share in the "celebration" of her life, but recent eye surgery (1/12) prevents travel. In Christian Love and Prayer, Connie Gimre A joyous postscript: your mother loved flowers! Every spring, the purple iris bulbs I gave her bloomed beside her driveway. She would call and say, "they are gorgeous and standing tall!"
