“ *Gene, Stephanie, Mark and Luann,*

My deepest sympathy on the loss of such an important part of your family. Your Mom and Gene's kindness will always be a wonderful memory of my youth. I spent many happy times at your home on Reed Circle. Eating fried bologna sandwiches, listening to music and the normal teen drama.

I have fond memories of the whole family!

Wishing you strength and comfort through this difficult time,

Becky (Pickett) Rausch

“ *I am so sorry for your loss! What a delightful woman! I worked with Lois at Lazarus Northland in the Fine Jewelry Department when I was in college and after while I was looking for a job. She was like a "work Mom" to me, always so kind and supportive. She, Rita and Brad even came to my wedding. I have such fond memories of her.*
