“ *My deepest sympathy to his family. Lonnie was a very kind, caring and loving person. I will cherish my many memories of our time together. I am so glad I had the opportunity to talk to him a few days before his passing. I will miss him.*

“ *I may be in error, but I believe one of Lonnie's relatives - Ray (one of the Clarence R. Ishlers?) worked for many years for my dad, Jim Taylor. Ray lived on Kanawa Avenue, in Sharon Township, just one block over and a little up the stret from my parents, who loived on Westview Avenue. I think the Barbara revered in the obituary may be his daughter. Regardless, my sympathies to the Ishler famly at this difficult time. My apologies if I am in error in thinking that I know the family from days gone by.*
