“ *Loretta was a wonderful friend and neighbor to me. She looked out for me and made me beautiful crafts for my house. I always enjoyed talking with her when she would be out weeding the yard. It was something she enjoyed doing. I would go over and sit with her and before you knew it hours had passed. She shared with me her love for her family and her faith in God. I will truly miss you Loretta. You will forever me with me in my heart.*
