“ *Dear Cousin, I am so sorry that you suffered so much in this life. I pray that God has brought you directly to his home in heaven as your just reward. We had so much fun growing up together even though we lived far from each other. Family time with you and your family were some of my most memorable childhood memories. I am so sorry I missed the chance to spend time with you as adults. My thoughts and prayers are with you and your children and grandson. Enjoy being home with your mom, my mom and gran as well as your maternal grandmother. Please look out for me from time to time as a guardian angel. I shall miss knowing that your presence is gone from this life, but hope to see you in the next. Love, Joanne*
