“ My son Jake(Jacob) had Lori for his AP Gov class his senior year of high school 4 years ago and she was one of the best. She was so patient and kind and always tried to get the best out of her students. She had a big impact on my son and he will always remember her and consider her one of his favorites. God Bless you Lori! Thank you for your love of children and making students love learning. You will truly be missed. God Bless her family and try to remember the good times and all the great memories to get you through this tough time. Thinking of you!
