“ Several years ago at Christmastime, Lottie gifted our family with a quilt made from her own hands. I can still remember the flood of emotion that filled our house as we unfolded such a beautiful work. It has provided us with warmth, comfort, and many memories. It will be a constant reminder to us of a Lady who shared of her time, talent, and love. May the Master grant you and your family peace.

“ We are so sorry for your loss, you are in our thoughts and prayers.

The Family Tree

A limb has fallen from the family tree.

I keep hearing a voice that says, "Grieve not for me.

Remember the best times, the laughter, the song.

The good life I lived while I was strong.

Continue my heritage, I'm counting on you.

Keep smiling and surely the sun will shine through.

My mind is at ease, my soul is at rest.

Remembering all, how I truly was blessed.

Continue traditions, no matter how small.

Go on with your life, don't worry about falls

I miss you all dearly, so keep up your chin.

Until the day comes we're together again.
