“ *Dear Webb family, Although not personally knowing Ms. Webb or your family, I want to extend my condolences for your loss. Many of us are so busy that we seldom take time to show concern for people that we do not know on a personal basis. It is my hope that your family is supportive of each other through this grieving period. Our Creator can also be of support for He encourages us at Isaiah 41:13 to grasp His right hand and He will support us. We can have confidence in the promises of the Bible that soon “death will be no more” (Rev 21:3-4). It is my hope that you find comfort in these few words.*
