

Luann Marie Toth

December 7, 1960 - February 20, 2025

Luann (Perone) Toth was born December 7th, 1960 in Columbus to James A. and Hope A. Perone. Luann grew up in Worthington where she fondly recalled working at the Olde Bakery, participating in bowling and playing field hockey. She was a founding member of St. Peter Catholic Church. Luann graduated high school in 1978. She was always concerned about others and decided to pursue a Bachelors degree in nursing at The Ohio State University. Luann worked for many years at Riverside Methodist Hospital (OhioHealth) as a patient escort, staff nurse and assistant nurse manager (9 East). One of her patients was the last Columbus resident on an iron lung. After earning her Masters degree from Ball State University, she worked the past 15 years as an educator and an RN in Pre-Admission Testing at Dublin Methodist Hospital (OhioHealth).

She married her husband, John, in November 1995. Together they adopted Anastasia and Alexander from a Russian orphanage in 2001. The Toth family lived in Old Worthington and greatly appreciated the community, especially the schools. They also enjoyed numerous trips with their extended family. Luann was especially devoted to her older brother, Jim, and his wife, Karen; attending their concerts was always a highlight. In addition, friends and family may remember Luann for her intense love of her cats.

Luann was a regular at the McConnell water aerobics classes and a deacon

at Liberty Barn Presbyterian Church in Powell.

For the past year, she battled cancer, completing chemotherapy and radiation treatments. Luann was surrounded by family and friends at Kobacker House before peacefully passing Thursday, February 20th.

Calling hours will be held 1pm – 3pm on Thursday, February 27th with a memorial service to follow. The service will begin with the Nurse Honor Guard ceremony (3pm) at Rutherford Corbin 515 High St, Worthington.

In lieu of flowers, please make any donations to The American Cancer Society or Kobacker House (OhioHealth).

“*Luann was my pool friend. We jumped, treaded, and --her favorite move in the pool--"mountain climbed" together. Our friendship grew as we faced the various phases of life together - children, elderly parents, retirement thoughts, nursing challenges. We sent "pool" pictures to each other when on trips to show our devotion to the water. We consistently came in about last on various McConnell charity walks - working our mouths chatting more than our legs. She faced her cancer diagnosis with such grace and strength. She was a giving and loving wife, mother, sister and nurse. She was my friend. I will miss her. My prayers and thoughts are with her entire family. Alexander and Anastasia - always know that your Mother touched so many lives. And we in the pool will always keep a special place in our hearts for her. --jo clarke*

I am so incredibly sad to hear this news. I remember Luann interviewing me for my first nursing job on 8 North at Riverside- she was one of the reasons I accepted the job over other floors/places!

She was so excited when she adopted their son & daughter- I still remember some of her stories- She loved being a mom!

This past year plus was so challenging, but she always seemed to be smiling. And walking! 😊 she was so kind and calm, a great manager. She touched more lives than she will ever know- until we meet again Luann! ❤️

I didn't know Luann very well, but I did know her husband John, her wonderful mother-in-law Joann, and her father-in-law John through Worthington UMC. Luann and John moved to be closer to Joann in Upper Arlington to help in her care. Alexander played in a lawn concert at Worthington UMC a few summers ago, and he reflected having grown up in a very wonderful family. Luann's death will be a terrible loss for her family. The above tributes about Luann reflect just what I would have expected, and I am very sorry to know she has passed. God needed Luann.
