I am Pastor Paul of Christ Church Orphanage. We urgently need new adopters to provide a loving family. People from all walks of life can adopt children, but in particular we are looking for adoptive parents who will be able to meet a child's needs. And to those of you looking for a baby to adopt, there are children; twins, boys and girls here. Like all families, adoptive families come in all shapes and sizes. Interested couples looking forward to adopting the babies should please contact us now. So if you're thinking about starting the adoption process then please contact us now at: christchurchorphanage@gmail.com and our website is; Christchurchorphanage.blogspot.com You can also give your donations and charity to the orphanage. There is no need for these children to suffer any more so PLEASE HELP by coming to take them for adoption or donating to the orphanage. Help the little children. Thank you very much. God bless you as you come.
