“ *To the family,
Maddie is a beautiful women that showed me determination in a quite gentle way. It was with great joy and an honor to give her Communion on Fridays. She never wanted to be a burden and she wasn't. I enjoyed our walks back to the elevator because we had a chance to talk and no matter how frightened or not feeling well she always had a smile for me and a beautiful smile that will be missed. God's love always and forever for you and your families.*

*Respectfully,
Mary Jo George
