

Marci D. Reimund

December 18, 1947 - March 26, 2019

Marci Reimund passed away on March 26, 2019. Marci's passion in life was her family and career in education. For the first 26 years of her career she taught elementary school, middle school, and high school guidance. She then worked for the Ohio Education Association as a labor relations consultant. She and her husband, Morey, raised their two girls, Leigh and Kelly, in Napoleon, Ohio. Her children were her life and she was excited as their family grew, welcoming sons-in-law, grandchildren, and step grandchildren. Later in life, some of her happiest moments were spent with her grandchildren. Marci also enjoyed traveling with her family, and over the years, she and Morey conquered all 7 continents, 65 countries and visited all 50 states.

She is survived by her loving spouse Maurice Reimund, daughters Leigh (Bill) and Kelly (Chris), grandchildren Katie, Kyle, and Emma and many other family and friends who will miss her dearly. She was a strong and amazing woman.

Family will receive friends on Friday, April 5, 2019 in the RUTHERFORD FUNERAL HOME at POWELL from 3:00 PM until the 5:00 PM Celebration of Life Service, with Vickie Kissel, Life Celebrant. Afterwards, a Celebration of Life party will be held at 6pm in the banquet room of Local Roots restaurant in Powell, OH. All are welcome to attend. “ *Just learned about Marci through the BGSU newsletter. I am deeply saddened by her passing. I was a student teacher under her in the 70's. I was terrible, but she was too kind to tell me that. Better to learn that on your own. I am so glad to hear she was able to travel so much. Great memories are the stuff that makes a life well lived.*

“ *I was not fortunate enough to know Marci well, but I shall miss her friendly wave and lovely smile when she drove by as I was walking my dog, Tootsie. My thoughts are with you.*

“ *Very sorry to hear about the loss in your family. She was an amazing person that I knew while teaching Home Ec. at the middle school building in Napoleon. She cared about her students and moved on to be passionate about her fellow teachers during labor disputes. May the days ahead be less stressful as you remember the wonderful times together.*

I lost Bob, my husband, to bladder cancer Nov. 11 2017 but he remains with all of us as we talk about the fun times together.

“ *Morey and family - my thoughts and prayers have been with you these past few days. What a wonderful woman Marci was. She affected so many lives in a positive way over the years!! I'll always treasure the memories from Camp Palmer, and our "payday" breakfast meetings in your room. I know that camp wasn't Marci's favorite week of the year, but she knew the value of it for the kids, so she always gave it her best!! I used to constantly stop in at her outdoor cooking class for a snack!! Great memories.*

“ Reading that Marci has left this world was a sad moment. Remembering the love she shared, her advocacy for those in need, and the strength of her character lifted a bit of that sadness into gratitude for her many gifts to educators and students. My thoughts and prayers are her family and those who lives she shaped and changed.

“ You have my deepest sympathies. Marci was so helpful to me when we adopted our daughter from China. She was a wonderful support trying to fight for time off. I am sure she will be terribly missed. Praying for the family!
