Being an only child and the first daughter among the Pritt family, she was spoiled. Her first years were spent in the coal mining area where her father worked in the Company store and played baseball for the Company. Her mother taught school. Reaching school age her parents moved to the Montgomery area where they opened several stores. Her summers were spent on the Pritt farm and summer camp. After high school she headed to Huntington and Marshall University where she got her degree in merchandizing. Graduating she moved to Ohio, first to Cincinnati and then to Columbus where she began working for F&R Lazarus (Macy's) becoming an assistant manager in the baby department. She and her two roommates attended Broad Street Presbyterian Church, her husband to be, though she didn't know it, began attending the "Keys" young adult group. His best friend introduced her to Bill Cannode, who decided that she was to become his wife and best friend. So on September 6th, 1958 they were married, and from that union their daughters were born. Ellen Cannode and Cheryl (Stephen) Ware, who were her pride and joy. Cheryl married and brought into her life the second pride and joys, Stephanie and Brittany. In the church's that she attended with Bill when he was called to the ministry, she formed the Ladies groups as an active member, with those churches saying " Bill could leave, but Margaret Ann had to stay!" When the girls starte to High School Margaret Ann went back to work at a gift store downtown, she was again in her environment. She found time to travel with Bill, they went to England/Scotland, twice to the Holy Land, to Poland, the U.S.S.R and to Sweden. Her mother died while her girls were young of cancer. Her father in the late 90's of old age. Margaret Ann had four battles with cancer, the fourth and last battle was one too many. On July 1, 2013, having reached the age of 80, she closed her eyes and began her voyage home, to a new Life in the Warmth and Light of Jesus. There with her mother and Father, cousins and friends she awaits her soul mate Bill, her daughters, and all of her friends to begin a new life, a life eternal.

“ *God bless dear Margaret. Our family has treasured the Cannode family and all the gifts that they have given to everyone around them, none more than Margaret. She made all the wheels go 'round and was the support for her family and friends and church. Thank you so much for being there. The Bennetts all send love and peace to the Cannodes. We are so grateful for the love and friendship Margaret always showed us.*

“ *Dear Bill and Family,*

Margaret was a joyful, welcoming and caring lady that made us feel right at home when we entered the Neoacacia lodge family. We truly enjoyed our time together preparing luncheons, attending dinners and especially the fellowship afterwards. Today we celebrate her life with all of you, and send our most sincere condolences for your loss.

With love and fond remembrance,

Erik and Michele Warren

“ *Bill and family;*

What a great lady! I always enjoyed my time around Margaret Ann because there was usually a laugh involved. Sometimes just her smile would make you wonder just what she was thinking. She was a great helper for you Bill in your ministry here in Frankfort. You are in our prayers.
