“ *I was so sorry to hear about Margarets' passing. She was a dear friend of my mohter, Mary Wideman from PEO> When my mom was unable to drive any more, Margaret would often pick her up for the Tuesday and Friday night dinners. Margaret will always be remembered by me as such a giving and thoughtfull person. Always on the go, always had time to visit with ill PEO members, myself included. Mom and I often teased Margaret about cats, since we have always had them and she didn't care for them. All of her Get Well cards to us would have a cat on them. I will really miss seeing Margaret at our PEO meetings, she was such a giving person. I wanted to attend the service, but was unable to change my work hours. I will keeping your family in my thoughts and prayers.*

“ *Tom, How sad I was to hear of your mom's passing on Friday at CWC. I had every intention of coming tomorrow, but this morning we had our own shock. Jon passed away in his sleep. So my kids are here and we are coping the best we can. I will think of you tomorrow and miss being there, with all of Margie's CWC friends. You know I am very willing to help with anything about her condo - just call or email me. Life must go on, but it is difficult, isn't it?? Nora*
