“ *Larry and I send our prayers for the family of Margaret. She was a beautiful person who loved her family deeply. We admired her respect for her husband, Dobe. Margaret had a way of sharing individually with her children, grandchildren and great grandchildren. I remember being told about their love of yard sales and her resourceful way of providing for her family. July 4th was always a grand affair for the family and all relatives to come together and feast. We join you in prayers for Margaret.*
