“ *To Phyllis's siblings and other family members, Our deepest sympathies upon the passing of your parents. The swim team girls, every single one of them, is thinking of you all and praying for your comfort during this time of profound loss. Your folks are with Phyllis and Peter now. We enjoy, with you, fond memories of summers on 161 in the woods and in your kitchen with paintings and wet girls in racing suits. Your home was always filled with love and warmth and laughter. Thanks for sharing your wonderful family with all of us. We love you all!*
