“ My sincere condolences to Margarets family. I had the privilege of working with Margaret, beginning in 1976 in the flight school and later in the Air Transportation department. She was an excellent Administrative Assistant who was adept at multi-tasking and taking care of the details required in performing our jobs. She was a happy and cheerful member of the staff and it was a pleasure to have her talents in our office. It was an honor to have known her and to work with her.

“ Mrs Jewett was there in 73-74-75 when I started my OSU flight education. When we had our OSU Aviation Alumni Society Reunion decades later this remarkable woman still remembered me. After hundreds and hundreds of students every decade she was the aviator's 'Den Mother" and the 'glue' that held everything together!

“ *During Margaret's and my years of working at OSU (Margaret at Don Scott Field and me in the College of Agriculture) we developed a delightful friendship by phone. She never failed to work out the many details for chartering flights so that Dean/Vice President Roy Kottman could fly to not only our College's many locations throughout the State of Ohio but also to a wide variety of other locations in the U.S. Margaret was not only efficient but also warm, friendly, fun and funny and I shall always have warm memories of her.*

“ Bob Evans on Rt 23 in Worthington. Every Friday early morning for years before Ron's passing, David Thompson, Doug Sharp, myself and some others would meet. We met Margaret and Ron (and son) there. What a blessing they were. Looked forward to seeing them. Thankful for the time we had. Miss those special breakfasts. Tracy Brininger
