“ Although operating a buseniss sounds cool and all that. However precise fact, I think you have to form a schedule so that you donâ€™t get too involved. I favored that things you talked about â€™lifestyles is steadinessâ€™. Possibly hiring someone do your paintings is a great idea.

“ Unflinching patience for her husband, 3 sons, and their immature friends

Minerva park had a few immature kids. I recall a few flooded my parents' basement.
She was amazing. Would. Always take time to chat with my mom. And my favorite memory: she always had m&M's in her kitchen for me. It was a joy being neighbors.

“ I am a member of Messiah and I visited with your mother on several occasions. She was always so happy to have visitors. I had just brought her a Easter lily last Tuesday. She woke up and looked at me and said, "I know you, you are the church lady", however, she was having discomfort and asked me to go get a nurse. I was there once when the son that lived in S.Car. was there. I am sorry that I am not able to make it to the service but just wanted to let you know how much I enjoyed visiting with her. God's blessing to you all.

Peggy was my childhood model and I have such wonderful memories of our good times on Indianola Ave. She was a precious person and a gift to all of us who knew her. May she rejoice in being united with her parents and Dave and will certainly be present in spirit with you all. Sorry, my work commitment in Cincinnati prevents me from joining you all at her funeral. may she rest in peace.
