“ *My name is Sandy Federer. Your mother/wife and I lived next door to each other in our single days at Governor Square Apartments. She taught in UA and I taught in Worthington. We were neighbors for several years. We enjoyed a nice friendship. I took care of her mail and apartment when your mom & dad went on their honeymoon. Your mother was such a wonderful lady. I am thinking of you in your loss.*

*Fondly,
Sandy Federer*

“ *I note the death of Margaret, with profound sympathy. I was with mark and Margaret when St. Adam went back to the Lord, an experience which has had a lasting effect as I have served in various places and various people. I am glad. To see she had other daughters, but our brief encounter with Adam no doubt changed us all. May she rest in Christ's true and lasting peace. Fr. Hummer*

“ Lots of wonderful memories as neighbors. Going to the swimming pool, staying all night and having French toast for breakfast. Prayers sent to Mark and the girls and to John's family. So sorry. Karen Daugherty Merrill
