“ *Oh Maggie, how I wished you would have waited for me to visit on Thursday. I was devastated to hear that you were not doing well and had I not waited that one day I would have been able to see you, to hug you and tell you how much you meant to me. I cherished your friendship and will never forget the times we shared when I was Activity Director at The Sanctuary. You were like a grandma to me, always supporting me, lending an ear and just a wonderful, God fearing woman who I loved very much. I thank God he brought us together and will forever treasure our time together. God speed Maggie. I will miss you! Love Always, Tracey*
