“ I just learned of Marguerite’s passing. Her sister and I were good friends when we were eight years old. My condolences to her family.

“ I have many memories of Marguerite. We met when I was in kindergarten and she was in first grade. We played together often and lived in the same apartments on Selby Blvd.. She taught me to ride a bicycle-2 wheels and no training wheels. Her family always accepted me in their home. She was also my maid of honor at my wedding. Always a sweet person and kind and willing to help. I called her Reet. She will be missed by those whose lives she touched. Vicki Lawson
