“ Dear Butte Family, my condolences re. the passing of your mother. In her later years, Julie (and others) took good care of her. Garden Road isn't the same without our parents and older friends who have moved on; younger families have moved in (good). Prayers, comfort and happy memories...Peace!

“ Steve, to you and your brothers and sister.....I send you my wishes. It's been a long time since I saw your Mother, but she is in my heart! Do you remember she used to let me babysit you kids while the grownups went out! I gave you all my Beatle collection. I will not forget your Mother!
