“ Jim and I remember your mother vividly at Maynard Ave. She was a wonderful woman, who always had a smile and was ready to give others a pat on the back. We know how hard it is to lose a Mom (and Dad) as ours passed at the ages of 68 and 69. No matter their age, it is always a tremendous loss, but over time, it will become easier and there will be more good memories, than the sad ones. Sincerely, Carol and Jim

“ Karen and Mark, Stanton, Albert and Charlie, your parents were very special to me and I will always cherish the times we enjoyed together. I can still see Marie at the state fair and never missed a chance to see her and order some lunch or a piece of pie. The most memorable thing she did for me was to send all of that Kool-Aid to me while overseas. Everyone in my platoon shared in the bounty! Remember the good times and the laughter. Our deepest sympathies!

“ Karen, We are so sorry to hear that Marie passed away so soon after the passing of your Dad. They were a wonderful couple that loved each other and their family so very much. They were always willing to do anything for anyone. Mom & Dad shared so many fond memories of their friendship together. Our thoughts and prayers are with you and your family. May God Bless you and your family during this time of sorrow.
