“ I had the pleasure of meeting Marie while we were in high school, and she always stood out as a very positive young woman, with a smile that could brighten up any room. My sympathy and prayers go out to her family and loved ones.

“ I designed and made Marie's costume for "Doubt" at CATCo this past April. Marie was such a lovely person and collaborator that it was a joy for me to help her visualize the character she had created. I could see that she loved acting and loved being a part of that play. I am so sorry that she has passed and will not grace the stage again with her lovely presence. My condolences and deepest regrets go to her husband and family.

“ I was terribly upset to hear about the passing of Marie. She always smiled and when she smiled I felt comfortable as if she welcomed me to her family. I will always cherish my fond memories of Marie. What a lovely lady she was to the many people she touched. She will be greatly missed. Akii

“ What a sister. What a friend. Marie, I miss you endlessly. Yours was a life well lived. Thank you for inviting me so warmly into your heart and into your family. We shared SO many laughs as co-workers at OSU's Office of Minority Affairs. You are an unforgettable friend and I will carry your friendship and your advice with me for life. To Marie's beautiful family ... my prayer is that the peace of God that transcends all understanding be with you now as you lean on Him and on one another. I love you.

“ *I am so saddened by this loss. Nevertheless, I will treasure the memory of Marie for a lifetime. She will forever be remembered as the talented, beautiful actress I came to know from "Crowns". As I made my way to Columbus, OH from Atlanta, GA Marie was very helpful with providing me places where I could get a great hairstyle and massage for cheap. Her recommendations worked so well that I became a regular customer at those places. I have a picture of me and Marie that sits on my mantle in my home and it will remain there along with the memory of a truly remarkable human being I'm so thankful I came to know. I love you Marie!!*
