“ Yoho Family: Our thoughts and prayers are with all of you. Anthony and I have said on multiple occasions how nice it would be if Marie would be an adoptive grandmother to Adam and Erica. We were quick to notice what a lovely, lovely lady she was in the short time that we knew her. She will be missed. With love and friendship, Karen, Anthony, Adam and Erica Lee

“ Marie was one-of-a-kind and will be missed by all. She was always loving and kind and selfless beyond compare. She put everyone ahead of her; family, friends, co-workers and students. We have been friends for over 30 years and I have never been able to live up to her selflessness but she never seemed to be disappointed in me... only accepting and loving. To our children she has often seemed like a second mother and a go to person in times of need. She has shown us all how to be a loving, kind, hard working, dependable, loyal, selfless and generous. One might think that our shortened walk with her may have been to encourage us to be better people but to be like Marie seems nearly impossible. She was a wonderful and natural teacher but she would have been an awesome counselor as she was such a great listener. No one will ever replace her. May her legacy of love last until we join her in heaven. Her home is filled with love and many of her loving reminders are here at my home. Everywhere I turn I see another gift she gave me... "oh, Marie got me that... or she gave that to Annie over 20 years ago.." but one of the last gifts she gave me was a lovely plate (laden with sweet treats) that says... "Through the Years we all will be Together..." and little did I know that it would not be in our earthly dwelling but in the arms of the angels in our Fathers house. These years without her will be very hard, but God's love will lift us up and Marie's loving spirit will always be with us. We love you Marie and will NEVER forget you

“ Chuck and all of Marie's family especially my best friend Melodee may God grant you peace and the strenght you will all need to be able to accept that God has taken Marie to live with him and the angels up above because anyone who knew Marie knows she was and is an angel who no doubt now resides in heaven. Our heart goes out to all of you for your great loss. Ralph, Vicki & Angie Mangus
