

Marilyn Reese Foreman

April 16, 1930 - May 22, 2023

Delbert T. and Dorothy Jones Reese, formerly of McArthur, Ohio, brought Marilyn Reese Foreman, their youngest daughter, into this world on April 16, 1930. However; on May 22, 2023, Marilyn joined hands with her husband of 70 years, Dennis Walden Foreman, Jr. to walk into the brilliant radiance of our Lord in Heaven. Besides her parents and husband, she was also met by her oldest son, Bret Stuart Reese Foreman and her sister, Martha Anne Reese Miller, Sister in law Ruth (Foreman) Winters and her husband Dale Winters, their children Colleen, and Michael.

Marilyn graduated as class valedictorian in 1948 from McArthur High School. She continued her education at Ohio Wesleyan University and completed her education degree at The Ohio State University in May, 1953. While in college, she was a member of chi Omega Sorority, Kappa Delta Pi and the Phi Society. Following her marriage to Dennis in June, 1953, she spent several years teaching in Germany while he served in the US Army. After returning to the US, she served as an elementary school principal in the Columbus City Schools for 28 years. During her years as a school administrator, she brought leadership and harmony between teachers, parents and students for a prosperous tomorrow. She enjoyed gardening, reading, tennis, golf, swimming, skiing, vacationing and entertaining and was part of a bridge group for over 50 years. Marilyn loved high heels and hors d'oeuvres and a glass of wine at a piano bar with Dennis.

Marilyn is survived by her loving son, Bradford Coe Reese Foreman and his

wife Liz, both of Florida. She is also survived by a nephew and nieces, Robert Miller. Marilyn Boggs, Carolyn Curtis and Sharilyn Leonard and their families, niece Heather Winters Alford, Bruce Winters, with their children and grandchildren. A private ceremony will be held with family at a later date. Marilyn's wit and laughter brought joy to all those around her. She lives in our hearts and the memories we share of how blessed we are to have known
