“ *Mrs. J you will be missed!! Not only was she wonderful as a business teacher, she also had so much concern for the personal lives of her students. I will never forget her NJ accent (or at least that's what we called it) and how we were able to turn her frustrations in dealing with us into a wonderful smile outlined in lipstick!!! So lucky to have known her! Carol, I will continue praying for you and your family!!*

“ Having your mom as my teacher was a bright spot in my education. A warm, generous and fun lady that encouraged the classroom of girls to strive at work and in life. Glad to have had her in my life!

“ Mrs. Jimenez was my typing teacher at Brecksville High School. She was the nicest teacher I ever had. I wish I had been a better student for her, I blame sitting next to Julia Finn for my misbehavior. I was also friends with her daughter Nancy from Hilton Elementary through BGSU. Nancy was always the nicest person you would ever meet and she got this from her Mom. The world needs more people like Mrs. Jimenez! Thanks for being my teacher.
