“ We had been Marilyn's neighbors since first meeting her and Donald across our backyard fence in the fall of 2009, shortly after moving here. They were great neighbors. Several years ago we had Marilyn and Connie Kiser over for brunch at Christmas time. They were charming guests.

We have lots of memories. We appreciated Jeff warning us of the generator he installed for his mother during the black out in the summer of 2012. Once Marilyn warned me of having left some beer in the bottom of the cart that I was returning to Fresh Thyme as we passed in the parking lot. Marilyn had warned us of Connie's failing health just a few months ago and kept us posted of real estate transactions in the neighborhood.

We often exclaimed, "Marilyn's up" as we saw her lights come on in the morning across our backyards. We will miss those lights in the coming winter and her.

With sincere sympathy, Jerry Holt Tim McClung

“ *Pizza and BURR OAK some of my greatest memories and fondest family. My list of top 10 in my life are fading and this is certainly one of them. She is in deserving hands now and we should all strive to be in her position with God and in memory.*
