“ Dear Mary Beth and family, I was saddened to read of you mother's passing. I remember her picking your brother Jeff up at our house many times in high school. I was stunned to read of Holly and Jeff's passing as well....although we never really hung out in high school, i considered your brother my brother as he was always with my Jeff, who sadly passed in 1997. I worked with Holly at the old Elby's on Henderson Rd...she was so very nice. We lost our Mom in 2003. My thoughts and prayers are with you and your family. Your friend from DHS Cheryl Bellamy Drum

“ Marybeth and family, I just heard about your Mom from Helen. I spent some time this afternnon remembering her laugh and the great expressions on her face when I used to stay at your house in High School. I know it's never easy. I'm glad you had her in your life this long. My dad died last year and no matter how prepared you are, it's always hard. It sounds like she was a wonderful woman. I would love to hear from you. Please e-mail me. It would be nice to catch up. Take care old friend and know you are cared about.
