

Marilyn "Lyn" Willis

February 9, 1924 - January 26, 2022

Marilyn "Lyn" Eyerman Willis, gently slipped out of this world into the arms of Jesus on January 26, 2022. She was born in February of 1924 and was just shy of 98 years old. Lyn was married to Howard "Woody" Willis (1920-1992) and together they had 3 daughters, Nancy Willis Beelman (Bob), Kristine Willis, and Barbara Willis White (Dee). She was gifted with 5 grandchildren and 16 great-grandchildren. In 2010, at the age of 87, she was still leading an active life with her church, traveling to spend time with her family, reading novels and enjoying cards and games with her senior community when she suffered a debilitating stroke. For the last 11 years, she has led a heroic life under the care of her daughter, Kris. Those years, though difficult, have been rich and good.

Lyn will be greatly missed by her family and friends. She has inspired us, and given us memories of laughter, love and life. We would like to thank the wonderful staff of Otterbein Senior Life in New Albany, Ohio and Kindred Hospice for the loving care of our mother. Due to the danger of covid transmission, we will not be having a memorial service at this time.

“ *I am so sorry for your loss. As a long time member of Bethel Presbyterian Church I knew Lyn (and Woody). Lyn was the “energizer bunny” and a friend to all. I was working as an RN at Riverside Hospital and had the opportunity to care for her when she had her stroke. I am pleased to know she had so many years to enjoy her family. Lyn was a very special person.*
