“ *Marion and I were in a WPC women's circle together for several years back in the 80's and 90's. She was such an active person with a good sense of humor and great insights. I missed seeing her at church in recent years. I wanted to attend the memorial today and meet her family, but other commitments interfered. My sympathies go out to all of the family - I know you'll miss her very much.*

“ *Marion was a special friend of mine. She was my mother's table ate. She always had advice for everyone since she appreciated good manners. She and I had special smiles and sparkling eyes noting we both understood. She would often tell me what a nice lady my mother is. She loved a gentle touch. When I would leave and tell Marion I'd see her again, she thanked me for coming. I loved the time I could share with Marion and my mother. Marion, you're home now, comfortable and peaceful. Give us a smile every now and again. Love to you and all of your family, Michele*
