“ *Amber and John Foo will miss Marion so much. She was so giving and loved woman. She never stopped doing work and something for other people. We felt so regret for missing a meal or gathering with her this summer. But her smiling face and energetic figure will exist forever in our memory. She will be missed lovely.*

“ *Marion,*

You have been a mother for all international students - you made us feel like home with your presence, we are grateful for having you in our US life, Marion.

Thank you for everything you have done for us. You are still the best hand writer in my eyes. Now, you can play golfing all through years in heaven... if I may request you one last thing, could you leave me your hand writing note one more time?

Miss you and love you...
