“ *Marjorie was my dear friend and soul sister. She was funny and always optimistic. She was my friend for over 50 years. Nobody told me she had passed away and I just found out. She was so youthful and shared a love of Harry Potter books with my girls. We always talked at Christmas and I was worried I hadn't heard from her. She was my touchstone and light in finding my way. We went through good times and bad and laughter and tears. I will miss her so much but she lives on in my heart. I am completely heartbroken. Can anyone tell me where she is interred? I want to visit and talk with her and shower her place of rest with flowers. I love you forever Marjorie. From Patty Botkins Orahoske*

“ *Miss Curry was one one of the nicest ladies I encountered as a young adult. She cared about the students and support the many staff, faculty and administrators she encountered everyday. She was very special! I'm sure a great number of us from Glenwood will be saddened to hear of her passing. RIP Miss Curry and thank you for the many wonderful memories in the library.*
