“ *Pudgy made all of us laugh! I always could tell when my mom, Rusty, was talking with Pudgy on the phone. Pudgy always had her laughing ...loudly! I loved hearing them talk and seeing them together. There is a hole in our hearts that can not be filled. I know she is free and partying with Rusty and the gang! Family, I wish you peace to help fill your hearts. Her sense of humor, kindness and beauty will always have a special place in my heart. Judy McMillen*

“ Dear Teri and Nancy, Lauren, Rachel, and Christine, Kent and I moved to Columbus when Jody was four years old, and three weeks after moving, the twins, Julie and Kelly, were born. Having moved a thousand miles from our extended families, we were scared to death, and I thought my heart would break! Not to worry though, because God planted my family and me, next door to the Edgars, and we each grew because of the huge blessing!

As you know very well, your mom has one of the biggest and strongest hearts known to humankind, and she invited my family and me into it! She wrapped her arms around us, when we needed her the most!

When we moved from Columbus, I thought my heart would break! Your mom promised the girls that we would continue our love affair, and she kept her promise to them!

At each of the girls' weddings, she was escorted down the aisle along with Kent's and my mom. They sat together at the church, each with their corsage next to their hearts! Not surprising, my dad and extended family adored your mom, as well!

And so, my heart breaks once again, but all is well, because our love we will continue for time and all eternity! She taught us all that love continues...

Teri and Nancy, your mom was your biggest fan! Lauren, Rachel, and Christine, your Grammy, was so proud of EVERYTHING each of you has accomplished, and you continue to make her proud!

...and so to the five women Marge loved more than life itself, Kent and I would like to thank each of you, from the bottom of our hearts, for sharing this incredible woman with the Brown family!

Sincerely,
Kent and Dolores

“ *I was so sorry to hear the sad news about such a beautiful lady. I knew her as Peggy's Aunt Margie and somehow it always felt natural for me to call her that too. She once shared with me a lovely story about her memory of my Grandma Hopkins, whom I had never met! That was such a gift to me. She was always so kind and filled with laughter. Everyone who knew Aunt Margie will never forget her. Sending my hugs and love.*
