

Marjorie McElroy

April 17, 1933 - May 23, 2025

With both sorrow and gratitude, we announce the peaceful passing of Marjorie “Margie” McElroy, born on April 17, 1933, in Markleysburg, Pennsylvania. She entered into eternal rest on Friday, May 23, 2025, at the age of 92.

She was preceded in death by her parents, Reverend Lincoln and Esther Pyle; her sister, Betty Beck-Blattner; brother, Doug Pyle; brother-in-law, Reverend John Daniel; and her beloved daughter, Yvonne Lee.

A woman of unshakable Christian faith, Margie was a devoted member of The Connection Church in Columbus for over 30 years. She faithfully played piano during worship for most of those years, ministering through music with grace and dedication.

Margie was a loving mother, grandmother, and proud great-grandmother. She was also a trusted business partner, beloved friend, and a constant source of help to those in need. She lived out her faith daily, touching countless lives with her compassion, wisdom, and generous heart.

In business, Margie was a visionary leader — intelligent, driven, and principled. She co-owned Property Damage Appraisers with her son-in-law for 28 years. Before that, she co-owned Sweets by LoriLee, which operated multiple locations.

She leaves behind a legacy of faith, friendship, and a fearless pursuit of purpose. Though our hearts ache in her absence, we rejoice in the assurance that she is now in the presence of her Savior — whole, at peace, and eternally joyful.

Margie is survived by her son-in-law, Patrick Lee; grandson, Allen; daughter-in-law, Heather; great-granddaughters, Bethany and Kaitlyn; and her goddaughter and dear friend, Tonya Flory. She is also survived by her brother, Richard Pyle, and his wife, Marla; her sister, Joanna Daniel; sister-in-law, Linda Pyle; and numerous nieces and nephews.

A Celebration of Life service will be held on Saturday, June 7th at 11:00 AM at The Connection Church, located at 5532 Sinclair Road, Columbus.

Until we meet again — you are deeply missed, forever cherished, and eternally loved.

“ *I always always always remembered Margie for the light she was and how her faith was in Jesus and how strong she always was about it. She's always touched our family's lives like family, I always admired her fashionista personality and how she always had a matching bag for any outfit she'd put together, I strive to be the same some days hah. I always enjoyed the memories at the Lee's ranch with her joining us outside over fun chatter and soaking in the memories of the church pot lucks up there and also when we'd go help her clean her home, mom and I, and then visit old Sammy boy at the same time and give him some dog treats and pet him while mom would clean the rooms. I remember the pieces she'd play on the piano on Sundays, wishing I learned from her but could never quite grasp it like I did my violin. Still to this day I remember her trying to give me a lesson here and there at her home piano and I still couldn't get it hah. But she was a bright laughing spirit and she's gonna be dearly missed in our family and within The Connection family. Love you Margie💖📺*

“ Aunt Margie had a beautiful smile and energy. She was an inspiration by the dedicated love she had for her daughter and her family. While facing huge challenges in her life, she continued in her faith and giving to others. I think now of her joyful reunion with her sister Betty, my Mother in law.

“ I'll never forget her laugh and smile and all the positive words she spoke into my life. I'll also never forget her impeccable sense of style we both shared loving the glitter , glitz and glam. She would be loving my sparkly nursing shoes as I wear to work now remembering her . I love you Margie .

“ I always enjoyed singing with her and Vonnie, we always had so much fun , laughing and experimenting with harmonies. I could never repay her for what she did for me, and my father when he was unable to live at home and wanted to live at Ester's place and Margie made it possible even going the extra mile by meeting with his Doctor so he could live at Esters place .

“ Everything I missed in my childhood, she taught me as an adult. She showed me that it's never too late and that God is always her. The Alwaysness she carried, she was the Best Human being I had ever met, she taught me everything, God kissed her Heart
