“ *I am so saddened to just hear of Marjorie's passing. I worked for her as her assistant at the credit union in Hilliard in 2000-2001. She had such an impact on me and my career path that words cannot express my gratitude and respect for her. I looked forward to working with her every day. I lost touch with her a few years ago. My sincere condolences to her husband, daughters and grand children for your loss. She often spoke about each of you at work and she loved you all very much. She was an amazing woman and will be/is missed.*
